Hello Laker Families

On Monday, August 15th 2016, there will be an "Open House" at the high school building. The Open House will start at 6:00pm and last until 8:00pm. This will be a time for you and your student to come in to the high school/junior high and have a look around and meet the teachers that your student will have for the up-coming school year. The teachers will be in their rooms and you can ask them questions about what they will be doing in their respective subject areas for the 2016 – 2017 school year. Also, your student will be able to pick up their schedules for the new school year at this time.

At 7:00pm in the Cafeteria there will be 7th grade orientation for all 7th graders and their parents. During this time we will be going over many things that new junior high students will be doing and need to know for this coming school year. It will give parents and students the opportunity to ask any question that they might have. The Junior High teachers will be at this meeting. Parents and students will also be able to go back to the classrooms after the meeting.

We are looking forward to a new and exciting school year and we hope that you can come and share the beginning with us.

Sincerely
