

Eat Breakfast at School!

Did you know all of our schools serve breakfast every day! School breakfast will energize your child's day and provide them with a healthy start.

*Studies show that eating breakfast helps children pay attention, perform problem-solving tasks, and it helps to improve memory.

*Eating breakfast at school improves academic performance, health and behavior.

*Students who participate in school breakfast show improved attendance, behavior, and standardized achievement test scores as well as decreased tardiness.

Breakfast at school is affordable, too. If you qualify for free or reduced price meals, you also qualify for the breakfast program.
