Statewide group honors Walnut Township School Administrative Assistant for her service to the district

COLUMBUS — A statewide education group recognized Heather Terry of Millersport as an “Exemplary School Employee.”

Nominated for the award by the Walnut Township Local (Fairfield) School Board, Terry was honored during the Ohio School Boards Association Central Region Fall Conference in Columbus on September 30. The region presents the Exemplary School Employee award to an employee deemed critical to the success of the district and one who also demonstrates superior service.

In nominating Terry, the Walnut Township Board of Education wrote, in part: “Heather goes above and beyond her duties as secretary. She is tenacious when it comes to completing tasks and she gives generously of her time to our students, often working well past the normal work day.”

In its 60th year, the Ohio School Boards Association leads the way to educational excellence by serving Ohio’s public school board members and the diverse districts they represent through superior service, unwavering advocacy and creative solutions.
