Statewide group honors local physician for his support of local schools

COLUMBUS — A statewide education group recognized Dr. Paul Whetstone of Millersport as a “Friend of Public Education.”

Nominated for the award by the Walnut Township Local (Fairfield) School District, Whetstone was honored during the Ohio School Boards Association Central Region Fall Conference in Columbus on September 30. The region presents the Friend of Public Education Award to community members with a significant record of supporting public education.

In nominating Whetstone, the Walnut Township Board of Education wrote, in part: “Dr. Paul Whetstone is a long-time resident of the Walnut Township Local School District. He and his wife, Dr. Anne Whetstone, raised their family in Millersport. Over the years, Dr. Paul has been very generous with both his time and financial backing of the district. They are always willing to help our students and their families.”

In its 60th year, the Ohio School Boards Association leads the way to educational excellence by serving Ohio’s public school board members and the diverse districts they represent through superior service, unwavering advocacy and creative solutions.
