

## Yard line sale

Would you like to “own” your own yard line for this entire high school football season? It can be yours for \$20! When you purchase a \$20 yard line you are entered into a chance to win \$100. Every home game the winner will be determined by what yard line the ball is on at half time. If the ball ends on your yard line you win \$100. You do not need to present to win. Contact Holly Armstrong with questions 740-415-5211. This fundraiser is sponsored by and supports the Millersport Football Program.
